

WELCOME TO PREKINDER

School year 2020-2021

LIFE AHEAD METHODOLOGY

Personal growth is assured through the philosophical foundations of the school's Life Ahead Methodology. The Life Ahead Methodology. They promote autonomy, organization, responsibility, and social skills. It's major goal is to produce self-reliant individuals who will assume an ever greater responsibility for their own learning.

Welcome to Kinder 4 at Colegio Maya

We are very pleased to have your children this year. This syllabus will describe our objectives and contents that will be covered at this stage. We hope you have a successful year!

ENGLISH

Expectations:

By the end of the school year children should understand basic English vocabulary and its usage in short sentences. They will use English commands and follow instructions.

LANGUAGE

Usage of vocabulary in correct sentence structure. Introduce new vocabulary. The children will be provided with activities that will promote an understanding of basic concepts, readiness skills, classifying and thinking skills.

CONTENTS

Unit 1: My Body, Unit 2: My Family, Unit 3: My House. Unit 4: My Garden, Unit 5: Toys, Unit 6: My School, Unit 7: Community Helpers, Unit 8: Means of Transportation. Unit 9: Means of Communication, Unit 10: Animals, Unit 11: Food and Unit 12: Day and Night.

EVALUATION

Students will be evaluated every one or two weeks on their vocabulary evaluations, also worksheets through observation and their performance using English language in class.

MATH

Expectations:

By the end of the school year children should be able to recognize numbers, colors and shapes. Children learn to count, identify written numbers and to match to a corresponding group of objects.

CONTENTS

Numbers to 10. Count numbers up to 20. Comparing sets, patterns, counting. Identifying concepts such as long- short and near- far.

EVALUATION

Students will be evaluated orally and written. Also by their performance in class and homework.

MUSIC

Objetivo:

Impulsar las habilidades cognitivas, motoras y sociales por medio de la música. Mediante juegos, interpretación de instrumentos musicales y el canto.

ESPAÑOL

Expectativas:

Desarrollar habilidades, destrezas y actitudes que capaciten para la lectoescritura y su integración al medio.

CONTENIDOS

Introducir y reforzar colores, figuras geométricas, números del 1 al 40, contando mecánicamente 1-50 y opuestos.

Identificar y discriminar las vocales/diptongos. Desarrollar la capacidad de comprensión y estimular la memoria a corto y largo plazo por medio de cuentos cortos, rimas, poemas, trabalenguas y canciones.

EVALUACIÓN

Se evaluará por observación el trazo de preparación a la lectoescritura y contenidos del PROGRAMA DEL MINED.

P.E

Objetivo: Promover el buen desarrollo de los educandos del nivel preescolar mediante las actividades de educación física, para obtener con ello la construcción de un aprendizaje integral.
